**MEETING INFORMATION**

The Next Wireless 911 Board Meeting will be Friday, March 11, 2005 at 10:00 am in Conference Room #2 at the ITS Facility, 3700 Wake Forest Road, Raleigh. Contact Richard Taylor @ 252-672-7580 for additional information.

☐ **PSAPs**

Telecommunicators at Public Safety Answering Points answer 911 telephone calls and dispatch the appropriate agency (police, fire, EMS) to the emergency. Learn the requirements to become an 'Eligible PSAP' and their role in 911 Enhanced Wireless services.

☐ **WIRELESS BOARD**

Find out more about the Advisory Board that manages the revenue of the 911 Wireless Fund and establishes procedures for disbursement of associated funds.

☐ **WIRELESS CARRIERS**

Select this link to learn more about providers of enhanced cellular and wireless 911 services and to locate such providers in a specific PSAP jurisdiction.

☐ **LINKS**
